

## MORE ABOUT OUR TOURNAMENT...

The field will be limited to 150 two-person teams (300 fishermen) on a first-come basis. In response to many requests for all contestants to have an equal chance for starting position, all entries received prior to April 20 will be put into a container for a lottery-type drawing for starting position. Entries received after April 20 will be assigned a starting position by order received. Entries will be accepted **BY MAIL ONLY**.

Please refer to Calendar of Events and note the **Mandatory** meeting on Friday. Our headquarters will again be at the Wild Eagle Lodge; please refer to their enclosed brochure for special rates and activities.

## MANUFACTURERS' MINI-TOURNAMENT

**(Open to all tournament anglers)**

We will again have the manufacturers' Mini-Tournament. It will cost \$10.00 per team, plus **TWO NEW** items (baits or fishing products). The winner with the biggest fish will receive all the money collected plus a custom rod and reel. Sign up will be at registration on Friday.

Prizes are based on a full field. If not a full field, the prizes will be reduced proportionately. Payment will be through 10th place. Any profits from the tournament will be put into the fishery. Mail your entry early to qualify for drawing of starting position.
